Achieve Bury Community Development

Community Development Drop In

Looking for community support, a new challenge or healthy ways to pass the time?

The Community Development Drop In is for service users, carers, recovery community members and others to find out about and access the following:

- **Practically Volunteering - Achieve training course for people that are genuinely interested in volunteering with Achieve**
- **Volunteering with Achieve and other organisations**
- **Local Education, Training and Employment opportunities**
- **Accessing the GMMH Recovery Academy**
- **Signposting to other local support offers, groups and activities**
- **Contribute to ideas and feedback for events**
- **Support with engagement responsibilities**
- **How to get involved with upcoming events at Achieve**
- **Request support for citizenship activities**
- **Find activities and things to do in the local area**

Every Wednesday 2pm til 3pm

at Humphrey House, Angouleme Way, BL9 0EQ

For more details, please contact Achieve Bolton Community Support Worker Dan Nolan on dan.nolan@gmmh.nhs.uk

Achieve Community Development offers operate on a voluntary drop-in basis and are not part of structured treatment interventions. Delivery takes an asset-based approach, aiming to promote self-efficacy and encourage contribution.
