

ESOL For a Career in Care (Conversing with your clients)

This course is for people who have previously worked in the care sector in another country, or who are looking to improve and gain confidence in English language skills to enter or progress in this career.

The course will focus on practicing language skills in speaking, listening, alongside pronunciation in the context of care.

**The course starts Wednesday 11th January, 9.30am—
12.00pm for 3 weeks, at Bury Adult Learning Centre.**

**For further information, call Bury Adult Learning Centre
on 0161 253 5772.**
