

Get Ready for Self-Employment

Do you have a great business idea? Would you love to work for yourself and know that you have the ambition and determination to make a success of it? This ***FREE** course is an introduction to self-employment and what is involved in setting up as self-employed to help you decide if this could be the right path for you.

During the course you will:

- Develop your understanding of how to prepare for setting up as a self-employed person
- Understand the advantages and disadvantages of self-employment
- Understand how and when to contact HMRC and increase your awareness of their help groups
- Develop an awareness of what expenses you can claim as part of your self-employment
- Develop an awareness of other organisations that can support your business to get off the ground

**Wednesday 11th January to Wednesday 25th January
2023**

1.00pm—3.30pm (3 weeks)

Course code: BDWPSE321

*Free of charge for people in receipt of relevant benefits

**For more information and how to enrol,
call 0161 253 5772**
