

Get that Job

Having the right skills and knowing how to find and then get a job are more important than ever in today's competitive job market. This ***FREE** course will teach you techniques useful at all stages of looking for work and giving you a head start in the search for your ideal job.

During the course you will:

- Identify & analyse the skills you have that are transferable to the career you want
- Explore possible career options with Bury Council and other local employers
- Update your CV
- Update your job search and job application skills
- Plan and prepare for successful interviews and improve your own interview techniques

Bury Adult Learning Centre
