

NHS Support Schemes: Help with Healthcare Costs

Worried about the cost of healthcare?
NHS offers a range of schemes to help you access the care you need

Free prescriptions

(Medical Exemption & Maternity)

Covers certain medical conditions and pregnancies
Ask your GP, hospital doctor or midwife for details

SR1 Form

Fast-track benefit for patients with terminal illness
Acquire form from your GP or hospital doctor

Attendance Allowance

Financial support for people over State Pension age who need help with personal care due to illness or disability

Scan the QR code to access

Healthcare Travel Costs Scheme (HTCS)

Refunds for travel costs if you receive benefits and are referred for NHS treatment

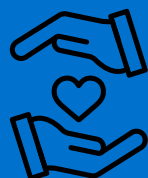

Scan the QR code or visit the hospital's cashiers office

Employment Support

Guidance and resources for finding work or helping staying work during illness or recovery

Scan the QR code to access

Carers Support

Support for unpaid carers, including assessments, respite care, and financial help

Scan the QR code to access

NHS Low Income Support Scheme

Help with healthcare costs for those on low incomes, including prescriptions, dental care, eye care, and travel

Scan the QR code or call 0300 330 1343

Prescription Prepayment Certificate (PPC)

Pay a set price for unlimited prescriptions for 3 or 12 months instead of paying per item

Scan the QR code, call 0300 330 1341 or apply in-person at some pharmacies
