We offer first dose, second dose, booster and spring booster vaccinations for eligible people when they are due

People aged 16+ can walk-in or book for a first, second or booster vaccination when they are due:

- 16 and 17 year olds are due their second dose 12+ weeks after the first; age 18+ (including within 3 months of turning 18) is 8+ weeks after the first.
- Booster vaccinations are due three months after the second.

People aged 75+ and people aged 16+ with a [weakened immune system](#) can walk-in or book for their spring booster six months after their initial booster vaccination.

Vaccinations for eligible young people aged 15 and below are available when they are due but are by appointment only.
